COASTLINE

Where the land meets the sea to offer a natural boundary and beautiful breathing space. An area of rugged resilience and uncompromising beauty. Remote depths of maritime colour and rich, rippling textures appear as the rugged shoreline meets the splendour of the coastal cliffs and a new journey begins.

CARBON OFFSET PROGRAM

COASTLINE IS A CARBON OFFSET COLLECTION

Climate change is one of the greatest threats facing humanity. Today, our carpet, LVT and entryway tiles are carbon neutral everywhere in the world. We invite you to learn more about the significant changes we've made, then let's work together to design a better future.
