MOMENTS IN TIME

STITCH BY STITCH,
TIME UNFOLDS INTO A LANDSCAPE.
EVERY LINE CARRIES MEMORY;
EVERY SURFACE TELLS A STORY.

MOMENTS IN TIME | © 2026 MILLIKEN & COMPANY

Inspired by the rhythm of stitch and the evolving patterns of landscape, each design captures a distinct moment: subtly layered and enduring. Threads intersect, hues mellow, and textures unfold, unveiling surfaces crafted slowly over time. Combined, these patterns form a serene, grounded palette woven from movement, memory, and place.

CUSTOM
INSTALLATION
GUIDE

Woven Horizon

Woven Horizon is a multi-tile design. Following the numbered installation sequence in the Design Request (DR), every 20 tiles form one complete pattern repeat, creating a seamless continuous landscape.

M/PACT™ CARBON OFFSET PROGRAM

Climate change is one of the greatest threats facing humanity.

Today, our carpet, LVT and entryway tiles are carbon offset everywhere in the world. We invite you to learn more about the significant changes we've made, then let's work together to design a better future.
